The MyEnglish titles have been specifically developed to cater to mixed-ability classrooms and offer an engaging and accessible approach to English grammar and skills.

- Exploration of skills is done in the context of extracts from contemporary and classic texts.
- Comprehensive write-in workbooks format covering all English basics.
- 20 highly structured units and appropriately levelled content enabling students to move from word level to sentence level to whole text level.
- Digital resources include:
 - A complete digital version of the book
 - Free Oxford Concise Dictionary look-up feature
 - Work assigned by the teacher
 - Access to rich, interactive content.
- Revised - Second Edition.

Insight Comparisons are invaluable resources for Area of Study 1: Reading and comparing texts in the current VCE English/EAL Study Design. Each title provides a comprehensive guide to a pair of texts, including a detailed study of each text's key features and a close analysis of their shared ideas, issues and themes.

- Detailed explanations of characters, settings, narrative, language, genre and structure in each text.
- In-depth discussion of a range of ideas, issues and themes explored by both texts, including comparison of their different perspectives and values.
- Essay topics, a sample analysis of a topic and a complete sample response.
