Quoi de Neuf second edition is a French series that offers a complete 7–12 learning progression, aligned to current state syllabi and the Australian Curriculum. It combines authentic, relevant language content, texts and visuals with a focus on intercultural learning.

A range of levels, formats and bundles are available in this series, including a Student Book, an Activity Book, and an eBook.

This is an overview of the new resources for 2020. To see the full catalogue of LOTE titles available from all publishers listed below,
