Maths Plus Australian Curriculum value packs are the new 2020 editions and contain one Student Book and one Assessment Book for Years 1 to F.

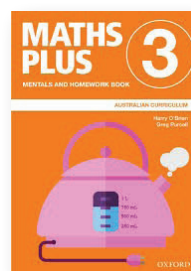

- The Student Book:
 - Offers opportunities for spiralled learning and practice, allowing teachers to revisit concepts throughout the year, and for students to sequentially develop and consolidate skills and knowledge in understanding, fluency, reasoning and problem-solving.
 - Includes student activity pages that are colour-coded to match the three Australian Curriculum Mathematics content strands of Number and Algebra, Measurement and Geometry, and Statistics and Probability.
 - Features four diagnostic term reviews (Years 1–6) to assess concepts and skills.
 - Includes investigation units to allow students to apply their knowledge and show their understanding.
- The Assessment Book:
 - Provides teachers with an easily administered, yet comprehensive, post-assessment tool.
 - Includes short post-tests for each topic.
 - Features a simple marking system that enables easy conversion to percentages.
 - Is supported by a suggested teaching and testing schedule available on the Teacher Dashboard.

The Maths Plus Australian Curriculum Mentals and Homework Book provides students in Year 1 to 6 with opportunities to practise and develop skills and strategies

- The Mentals and Homework Books:
 - Provide essential revision and consolidation activities.
 - Directly correspond to the concepts and units of work presented in the Student Books.
 - Link all activities to the three Australian Curriculum: Mathematics strands of Number and Algebra, Measurement and Geometry, and Statistics and Probability.
