SASTA's VCE Workbooks for Chemistry, Physics & Biology

Simplify Learning. Maximise Success.

SASTA's VCE Workbooks for **Chemistry, Physics & Biology** are the ultimate all-in-one resource—a digital **textbook and student workbook combined**.

No need for separate books—all content, skills, and practice questions are in one place, making learning simpler, more efficient, and fully exam-focused.

SASTA's VCE Workbooks are **specifically designed for Units 3 & 4**, following the VCE study design to provide **clear, structured learning** that prepares students for success in their assessments by building deep understanding in both Key Knowledge and Key Science Skills.

- **Complete Course Coverage** – Follows the VCE study design with clear learning outcomes and structured lessons.
- **Exam-Ready Practice** – Original, high-quality questions that mirror Year 12 exams.
- **Fully Interactive & Fillable** – Students can type answers directly into the workbook, save progress, and track their learning.
- **All-in-One Learning** – Builds knowledge and essential skills in one book—no extra resources required!
- **Inquiry & Evidence-Based Approach** – Engages students in critical thinking, data analysis, and experimental design.
- **Outstanding Visuals** – Professionally designed diagrams simplify complex concepts for better understanding.
- **Built-In Assessments** – Topic tests and fully worked solutions support independent learning and revision.

**Give your students the edge - order through
Campion from September 2025!**

**Digital & Interactive –
Fillable PDF format,
accessible via
MyConnect.**

**Ready for the 2026
School Year – orders
from September 2025.**

**15-month digital licence
– Flexible, long-term
access for students.**

Only \$65 per subject
